

How To Become a Super Affiliate

Okay folks

I thought I'd write this book and make it so you can make money passing the book around

I'll discuss that later , think of it as your off line marketing tool, Basically all you need to know at this stage is

You need to be involved with some professionals ,see how I said some ,Every marketer has different methods

so Its a good thing to be involved with a few this way you will get a thorough education ,

MILLIONAIRE SOCIETY this is where I learn and still do

The internet changes on a daily basis ,We need to be up with the times at all time ,Okay then there's

The traffic king VIC Teaches us how to develop huge amounts of traffic to our websites in the 4% club

He also shows various other marketers by interviewing them and picking their brains ,You'll get a thorough

Education and After you set up and run you will make some money for yourselves

Now I wish to introduce you to to Domain flipping this is where you buy domain names cheap

sit on them and then sell them for a huge profit

And then that leads us to .ws OR worldsite please see here for this Video presentation

I think it looks good see what you think

now how you make money with this is You will just need to edit the page or write a better one with your links

in it that you 'll get or what ever you like its just another way of promoting your business

Create an ebook here's a free office package and this is a PDF editor and more

okay folks go for it !
